Notes from CLA President – Mike Moulton

March 2020

Happy Spring to all,

I have seen signs of spring already with bulbs peeking out, for sythia buds swelling and my Lenten roses are blooming.

This is the beginning of our busiest time of the year for all of us, but don't pass up the chance to enjoy the warmer weather and the great outdoors.

Stop and smell the roses so to speak, life many times goes by us so fast we don't even know where the time has gone.

It has been twenty years since I was last President of this wonderful organization. That year for me was not so pleasant of a memory for me.

Just after taking over Presidency that year I had the unfortunate accident of having a semi-tractor trailer turn over on top of my truck crushing me inside.

Eighty thousand pounds of all things, hardwood mulch. Point being you never know what awaits us in the future so enjoy every minute of now in your life.

Take the time to live each day as if it is your last.

The COVID-19 virus has everything in a frenzy but please stay calm and take the proper precautions.

Information from the medical professionals that I have spoken to, your chance of something critical happening is less than 1 percent if you just follow simple safety instructions.

Stay safe!

Michael Moulton

President

Things to do when there is nothing to do.... Especially for the kids at home... a very short list of ideas

- ◇ Start some seeds for a garden
- ◇ Read, read aloud
- ◇ Learn a recipe, packages often have recipes... the kids can use their math skills measuring the ingredients
- ◇ Write real letters to relatives and friends, and mail them.
- ◇ Go outside and play. The Fresh Air will do everyone a lot of good.
